Grants & Funding for Non-Profit Organizations in Alberta

This newsletter will provide material on creating grant and funding proposals for Alberta non-profits organizations. Please check out our **Grants and Funds** page on the **Land Use Planning Hub** with information on funding sources and opportunities, support organizations, and **templates** to assist you in your funding research. We intend to update regularly and we invite our partners to share relevant funding and grant information so that we can add your links to our new funding portal.

Grant Writing Consultants

MANAN Strategy Consultants

MANAN Strategy creates new beginnings and opportunities for businesses and non-profits to achieve community and/or global impact. As a result, we are continuously building our network of trusted consultants.

Inside this Issue

- Grants & Funding for Non-Profits in Alberta
- New on the Land Use Planning Hub
- LuKN Resources
- Events Calendar

New on the Land Use Planning Hub

The **Land Use Planning Hub** is an informal network that supports the implementation of Alberta's regional plans. It is regularly updated with news, resources, and information on regional planning in Alberta. It was launched in 2018 as a complement to the **Land-use Knowledge Network**. Check out the resources and join the conversation.

For more information about the Land Use Planning Hub, contact the website's coordinator, **Jeff Wiehler**.

Irrigation strategy in the South Saskatchewan region

An investment into irrigation in southern Alberta will increase the amount of irrigated land.

New resource: Land Use Planning FAQ

See the **land use planning FAQ** to see the common questions about land use and regional planning in Alberta.

Updated: Land Use Planning Resources

New resources now added to the Land Use Planning Hub, including more maps and information on active regional plans.

Notes and News from Our Community

Oldman Watershed Council: Navigating Our Future (blog series)

Part 1: Navigating Our Future: **What's in Store for the Mountains and Foothills**

IISD **How Can Nature Play a Leading Role in Adapting to Climate Change?** Five takeaways from Canada's action on nature-based solutions for climate adaptation roundtable dialogue (by Anika Terton, 16 December 2020)

The Athabasca Watershed Council has successfully secured a grant from **TD Friends of the Environment Foundation**, who work towards funding environmental projects across Canada. The grant we received will go towards funding the **AWC Children's program**, which is currently in development for the following year.

Water Futures Project Survey

The Alberta Water Futures project is holding a public survey to learn about different perspectives on water management in Alberta. The survey will be open until 16 January 2021.

Alberta Water Council: Wetland Policy Implementation Review Project

The Wetland Policy Implementation Review project is capturing perspectives on implementation of the Alberta Wetland Policy and ways to measure performance of the policy's outcomes to support the continuous improvement and public reporting on policy implementation. The survey will be open until 29 January 2021.

Events

If you have an event, announcement, or new report that you would like to see included in our monthly newsletter, please email **Linda** with the details.
