

MENTORSHIP PROGRAM

Make A Positive Impact
Mentor an LRIGS Student or Fellow

- Short term, informal sessions for approximately 1 hour per month at a time and location that fits your schedule
- Custom matches of mentors with students and fellows based on areas of interest and career goals
- Share your professional insights and experience and provide guidance to an aspiring and inspiring land reclamation professional

To become an LRIGS mentor, please contact Michal Guzowski, LRIGS Coordinator, by Monday, November 4.
